Life is more beautiful on the water

AUSTRALIA EDITION 2026

Go with the CroisiEurope flow

There is really no better way to explore Europe's magnificent city centres and spectacular landscapes than by ship.

A CroisiEurope cruise is not just a fantastic experience, it's also great value. There is the sheer variety that guests encounter as the ship gently sails its course on well-known rivers, canals, lakes, coasts and seas, all the while enjoying delicious French cuisine and different wines, remember – all drinks are included.

This brochure is filled with ideas and inspiration, and unrivalled choice of cruise itineraries, whether you are a seasoned "CroisiEurope Connoisseur" or sailing with us for the first time. You can discover which of the world's waterways may suit you best, whether you are seeking to immerse in European architecture, history, panoramic landscapes or explore exotic cultures. Trusted local guides bring each destination to life with fascinating stories and insightful anecdotes on our perennial favourites from the Douro to the blue Danube, but also our more exotic destinations to Southern Africa, the Mekong, the Nile and the Ganges.

For our increasing number of active cruise guests, CroisiEurope has been busy creating new itineraries on much sought-after Cruise & Walk programmes. For authenticity seekers, take a closer look at our boutique style canal barges, sailing at a very gentle pace along French canals.

Join us for unique experiences to be discovered in the "Only with CroisiEurope" sections such as our innovative paddle-wheel ships that sail the Loire and Elbe rivers.

Our 50 strong fleet of river and canal vessels also includes a boutique style ocean ship, "La Belle des Océans", offering you unforgettable cruises to the Canary Islands, the Italian coast and the island of Corsica.

The local environments we sail in and through are hugely important to us and CroisiEurope has taken steps forward, reducing our carbon footprint, our use of alternative fuels, reductions in single use plastics and our impact on both communities and nature. We are lucky to sail through areas of outstanding natural beauty as well as countless towns and cities. Our interaction with, and positive effect on, those areas is one of main priorities along with the safety and comfort of every one of our customers.

We hope to welcome you soon on a CroisiEurope cruise.

Bon voyage!

MS AMALIA RODRIGUES

Best value for money

Since 1976, CroisiEurope has been offering quality cruises at affordable prices, giving our customers the opportunity to cruise the world's most beautiful waterways.

CroisiEurope takes you away for so much less yet offers so much more

As an independent, family-owned business, we are able to provide great value for money as we handle the entire operation from beginning to end: from the design and building of our ships and fleet maintenance, to creating cruise itineraries, sales and marketing and highly trained staff and crew.

This gives us the ability to manage our costs carefully and allows us to provide you with exceptional value for money.

Additionally, we concentrate on things that matter most: friendly and knowledgeable staff, well-appointed, comfortable cabins, reliable and safe ships, excellent food, incredible itineraries and a delightful experience of European culture.

Each member of our crew is a highly trained professional with a passion for what they do and a commitment to excellence.

Inspired itineraries include iconic favourites, fascinating excursions with knowledgeable guides, as well as an opportunity to explore lesser known places and immerse yourself in local culture. While most of our sightseeing tours show you the must-see sights, we also offer options for our active guests.

Providing exceptional dining is our passion. Our head chef Alain Bohn, a long-time member of La Chaîne des Rôtisseurs and Maîtres Cuisiniers de France, and our onboard culinary team strive to tempt your taste buds with classical favourites and local delicacies paired with a generous selection of wines from each region the ships are sailing through.

Our cruise managers and on-board hosts take care of every detail.

The CroisiEurope difference

At CroisiEurope we go out of our way to provide you with everything you need at highest possible comfort standards, at the same time searching out unique experiences to make your voyage with us an unforgettable cruise experience.

Entertainment on board

While your CroisiEurope cruise is all about discovering wonderful destinations, however on many days there will be an enjoyable or informative distraction to add an extra dimension to your voyage. A traditional evening of entertainment with a "Titi Parisien" theme or an evening with songs and guitars that capture the spirit of La Camargue. Dinner in Spain may be accompanied by a guitar

player from the region. A classical string quartet could come aboard in Germany, or an entrancing fado singer in Portugal. Or simply do nothing except relax to some light music in the lounge; there's never an obligation to join in.

Our cruises offer excellent value and include so much in the price:

- Your cruise from embarkation to disembarkation in a double occupancy en-suite cabin with flat screen TV with international channels for news and music.
- Delicious self-service buffet breakfast.
- Lunch and dinner menus created by our head chef. We can accommodate a range of dietary preferences, including vegetarian or gluten free, if notified in advance of travel.
- Unlimited drinks onboard on all our main season cruises and certain other itineraries where noted.
- Complimentary drinks include mineral water, fruit juices, soft drinks, tea, coffee, beer, most spirits and a large selection of house wines. Not included are Premium brands listed on our drink menus.
- Complimentary Wi-Fi onboard.
- Multi-lingual cruise manager and hostess at your disposal.
- All port fees.
- Travel assistance and repatriation insurance.

Alcohol can be dangerous to your health. Please drink in moderation.
Note: Included features may vary based on ship and destination.

Travel Insurance Advice

For your peace of mind and well-being, we strongly advise that you purchase travel insurance to cover you for trip cancellation or interruption, medical expenses and lost or damaged luggage. Please ask your cruise specialist or travel agent at time of booking.

The CroisiEurope fleet

Our fleet is equipped with the latest technologies and developments in terms of comfort, incorporating smart design and functional cabins.

Accommodating between 16 and 197 passengers, the Premium category fleet offers additional comfort, allowing more space in both the cabins and the common areas.

The quality of the services and the gastronomy offered on board are identical regardless of the category ship chosen. CroisiEurope and the ship's captain reserve the right to modify the cruising itinerary to ensure the safe navigation of the vessel.
